### Shoulder Healed

Sister Carolyn from Columbia attended service at BCFC one Sunday morning. She was experiencing severe pain in her left shoulder. It was so bad she could not lift her arm during worship! When the time came for prayer, she went up to be prayed over. After the prayer, sister Carolyn was able to lift her arm straight up into the air with NO trace of pain!! She is celebrating her healing and exalting the name of Jesus with all of her heart! Thank you, King Jesus, You are the author and finisher of every good and perfect thing!! Hallelujah!

### Hand Healed

Brother Chet from Annapolis attended a "How to Keep Your Healing Service" one Tuesday morning. He was experiencing serious pain in his left hand from arthritis. When the call for prayer came, brother Chet went up to be anointed and prayed for. As he walked back to his seat he started to praise and glorify the Lord, the pain was GONE, he was healed on the spot!! The pain has not returned and brother Chet is giving all his worship and gratitude to The Lord Most High who loves to heal His children!!

## Voice Restored

Sister Capers from DC went into the hospital for a procedure in her throat. It was supposed to be an easy surgery, but she woke up, she could not speak! Her voice was completely gone. The doctors had messed up her vocal cords and they told her she would never be able to speak again! Sister Capers asked her assistant to call BCFC and ask for prayer. So, her assistant called the office and the secretary prayed a prayer of agreement that sister Capers would have her voice back in Jesus name. Last week sister Capers called the office and said, "Hallelujah, my voice is restored!" The Lord did a miracle in her throat and vocal cords, and to the doctors' great surprise, she can speak just as she did before the surgery!! Praise be to the Lord of lords and the King of kings, what is impossible for man is POSSIBLE with God!!

## Back Pain, Healed

Sister Marlene woke up one Saturday morning with bad back pain. She had decided to go to the Ladies intercessory prayer that morning, so despite the pain, she went. It was a different service than usual, and everyone prayed for each other. After the prayer as sister Marlene went back to her seat, she noticed the pain was completely GONE!! She is glorifying the Matchless name of Jesus who knew just what she needed and healed her before she even asked!! Thank you, Lord!!

## Philippians 4: 6-7

**Do not be anxious about anything, but in every situation, by prayer and thanksgiving, present your requests to God. And the peace of God, which passes all understanding, will guard your hearts and your minds in Christ Jesus.**
