

Highway Safety

Sister Melissa from Catonsville testifies of her supernatural highway safety! She always starts her day with asking the Lord to protect her and praying the blood of Jesus over herself and her car as she travels. She was on her way home from the Eastern Shore, and while driving on a main highway, all of a sudden her car made a strange sound and her front driver side tire rolled off and went down the road! Sister Melissa was able to steer her car to the side of the road and out of the way of the cars passing by. God sent a young couple to stop by and minister and pray for Sister Melissa. They also retrieved the tire that was laying on the highway. Thank God there was no traffic around her car when the tire came off and no one, including Sister Melissa, were hurt! She called AAA and they tow within a 100 mile range and from where the car was, to the dealership was 98 miles! The dealership fixed her car for free and also gave a rental car at no cost because they had not tightened up the lug nuts properly, which is why the tire came off! Sister Melissa is so thankful for the protective blood of Jesus, that kept her from anything evil that could have happened this day! Halleluiah!!!

Cough Healed

Sister Bessie from Baltimore testifies that on Sunday, March 2, after Sunday Morning Service, husband and wife evangelists of BCFC were led by the Holy Spirit to pray for her throat and the coughing that she have been dealing with for months. She certainly received the prayer in Jesus Name. That Sunday, there was an afternoon service at 2:00, as it was the first Sunday of the month. In her spirit she was more compelled by the Holy Spirit to stay for the second service than to go home, which she did. During prayer, Elder Teddy was instructed by the Holy Spirit to come lay hands and pray for her throat and the coughing. The next day, Monday, Sister Bessie did not cough at all, and from that day forward, she was healed in Jesus Name! Sister Bessie is so very glad that she was obedient to the Holy Spirit, and did not miss out on receiving a double portion prayer of healing! Praise God for His Ultimate healing power!!

Back Healed

Sister Carolyn from Pennsylvania attended a Sunday morning service at BCFC. She had been experiencing severe lower back pain. So when the invitation was given to stand for prayer she stood to receive her healing. As the sisters laid hands on her and started to pray for she felt heat going up and down her body, and when the prayer for complete healing was over, Sister Carolyn was pain FREE! The pain she had been feeling for months was gone in a few minutes when the healing power of God came down! She is glorifying the awesome name of Jesus for His mighty touch on her life!! Praise the name of the Lord!

New Heart

Several months ago, Brother Rodney from Pennsylvania was experiencing serious heart issues. He is young and no longer able to drink caffeine or his heart would start to race, and he was no longer able to work out as usual. He attended a Sunday evening service at BCFC, when the Lord revealed to Pastor that there were people in attendance who needed brand new hearts! So, Pastor instructed anyone in need of a new heart to place their hand over their heart and pray a simple prayer of faith for a brand new heart. Brother Rodney did as instructed, and testifies that he can drink caffeine again and is also back to his usual workout! He praises the name of Jesus Christ who is still in the healing business!!

Sunglasses Found

Sister Marcia from Owing Mills had misplaced her prescription sunglasses and could not find them anywhere! She looked and looked for them, and even called a few places she had been, to see if they had been recovered and they were nowhere to be found! After 3 days, when she was walking into her house she said, “Lord, please help me find these sunglasses, only You know where they are and I really need them!” The Lord instructed her to check under the couch, so she slid her hand under the couch and sure enough, right there they were! Sister Marcia is praising the Lord for his faithfulness and guidance in helping her find her sunglasses!
