

Successful Surgery

Sister Maureen of Timonium testifies about the healing power of God in her daughter's life. "Earlier this month, my daughter had surgery on her neck to relieve the pain she had been experiencing over several months. The surgeon's plan was to go in the front part of her neck to fuse together the three vertebrae with deteriorating discs securing the area with additional bone from the bone bank, and then go in through the back of the neck to insert a metal plate for support. Quite extensive surgery and a very scary scenario for my daughter. While at '*How to Keep Your Healing*' class at Baltimore Christian Faith Center on the same day and time as the scheduled surgery, I stood in the gap in prayer for my daughter during prayer time, and Pastor Paul and Sister Marcia laid hands on me, anointed me with oil on behalf of my daughter, and agreed in prayer for a successful surgery, complete recovery, with no complications. In talking with my daughter a couple of days after the surgery, she told me that the doctor found it unnecessary to go in through the back of the neck to insert that metal plate because her bone structure was so beautiful! Glory to our God!"

Healing from Kidney Failure

Sister Elisabeth from Reisterstown attended a service at BCFC and during the healing service Pastor Paul asked that anyone who had a family member who was sick to stand and he would pray for them. Sister Elisabeth stood for her brother who is living in Ohio and had severe kidney failure and the Doctor was going to put him on dialysis. The Lord revealed to Pastor that the kidneys would be functioning properly again and he prayed that over Sister Elisabeth. She didn't tell her brother about the prayer and continued to pray for him. Then one day her brother called, he was at the Doctor to get his kidneys worked on and when they did the tests they found the kidneys were working properly again and he wouldn't have to go on dialysis! The Doctor was amazed at the outcome of this situation! All Praises belong to our God!!

Healing from Colon Cancer

A woman from Massachusetts phoned in for prayer. She went to see her Doctor and when they ran tests they found cancer all over her colon, and it was in its final stages so the Doctor told her there was nothing they could do for her and she would be dead by the end of the week! In desperation she googled "miracles" and BCFC came up so she called and spoke with Pastor. Before Pastor prayed for her, he asked her what she would give The Lord in exchange for her healing? She answered "whatever He wants! I promise I will testify for 7 months to everybody about my healing!" so Pastor prayed, and after they hung up she felt a burning sensation throughout her whole body, her family rushed her to the hospital and when they ran tests, and to the Doctor's great shock there was NO cancer to be found!! Glory to God for His awesome healing power!!!

Healing of Closed Ears

Brother David Jerome met with the buyer and realtor of their Virginia home, and as they were discussing details the buyer told Brother David that he was hardly able to hear what was being said, because his ears were closed! So Brother David reached over, put both hands on the buyers' ears and prayed a prayer of healing over the ears in Jesus' name. The Lord revealed to Brother David that the ear would drain in a few days, so he shared that with the buyer and they finished their business and went on their way. A few days later David received a text saying "Thank You" from the buyer, and sure enough just as the Lord said the ear drained and the man was able to hear perfectly once again! Praise God!!
