

Favor at Its Best

Sister Melissa of BCFC had been visiting her family in New Jersey. When it came time to return home to Baltimore she packed her car and started out on her usual route. She hadn't gone very far when she was pulled over by a Police Officer. She was told she was driving 9 miles over the speed limit, was given a speeding ticket and told to report to court the following month. She immediately started praying for favor. Upon arriving to New Jersey on the court date, she had to stand in line for the prosecutor that would decide who would go in front of the judge. Sister Melissa had been praying for favor and no charges. When it was her turn, the prosecutor couldn't find her name on the roster to see the judge so her case was dismissed! There were no points or charges going on her driving record! No court costs either! Sister Melissa praises The Lord for favor and for being her advocate!!

Debt Paid

Brother Alvin from Baltimore graduated 4 weeks ago with a bachelor's degree in science and management. He originally applied for financial aid to help pay for his schooling (in which he was approved) but the amount did not cover all his school debt. Brother Alvin went to the Lord in prayer and asked God to intervene with favor on his behalf. Shortly after the prayer of agreement was made, he received a letter in the mail stating that the U.S. Department of Education from Lincoln, Nebraska will pay off the entire student loan which was \$159,000.00 dollars! In total disbelief and shock he went to his sister's house and asked her to read the letter out loud and asked her what the letter really meant. She said, "U.S. Department of Education is paying off your student loan debt!" but that's not all, later that week he received two more letters confirming the loan was paid for in full! Brother Alvin acknowledges this is a miracle from God and is thanking God for his huge financial blessing!

Cracked Bone Healed

Sister Linn from Baltimore attended a service at BCFC. Her leg had been fractured due to an automobile accident. The bone in her leg had been cracked and the physicians wanted to put bolts in her legs to bring it back together but she would not accept the procedure. Upon arriving at BCFC a Word of knowledge came that the Lord was healing cracked bones. Sister Linn stood up for prayer and was prayed for. She could feel the healing of her leg immediately! By the end of service God restored the bones in her leg! Praise be to God who is still healing cracked bones!!

Check Found

A Sister from Baltimore couldn't find her tax return check; she looked all over her house but was unable to locate it, so when she attended a service at BCFC she gave a tithe in the amount of the check with a prayer and believing in faith that she would be able to find it. So when she arrived home she looked again and sure enough, she found the check! She praises God for His faithfulness!

Vision Restored

Sister Lisa from Baltimore attended a service at BCFC. She had a problem in one eye and couldn't see out of it as a result from a car accident, when the call for prayer came, Sister Lisa stood. She was prayed for and within minutes she started to see out of the bad eye! She testifies that the Lord healed her! Blessed be to The Lord who still heals blind eyes!

A Word from The Lord

On June 10, 2018 Brother Donald was on his way to a service at BCFC and as he got on the ramp to exit the highway his car went out of control and spun around several times. He heard a voice saying, "you may as well turn around and go home" but another voice said, "keep on driving to the service!" There was no damage done to the car so Brother Donald kept driving to church. When he arrived for service the speaker had a powerful message especially for him that only the Holy Spirit could have orchestrated. He was told about things that happened to him when he was 13 years old that only he and the Lord knew of. As the Lord revealed, Bro. Donald started repenting and healing started taking place in his body right away! Brother Donald is thankful for safety and the message from The Lord!!
