

Healing of Enlarged Heart

During a service at BCFC a word of knowledge came that there were people in the congregation that were in need of healing from enlarged hearts. Whoever was in need of healing stood and receive the healing. Mrs. Smith was one of the 5 who stood and received the prayer. On Monday Mrs. Smith called from Prince George County and said she went to the Doctor for an appointment and when the Doctors ran tests, they were astounded because when the results came back, they showed that her heart had shrunk to the normal size!!! Mrs. Smith is rejoicing in the Lord for her miracle!

Healing In The Womb!

Sister Eugenia from Owings Mills got married and when she became pregnant the Doctors told her that her baby had Down Syndrome after doing an ultra sound. Her mother came to a service at BCFC and asked for prayer for a supernatural miracle on that babies life still in the womb. Future grandmother was anointed on behalf of the baby and the mother. The prayer of faith was offered for the baby to be a normal baby. Low and behold three months later the baby was born perfect! At the birth the Doctors said that the baby still had a high chance of developing Down Syndrome in the first 4 years of life. Today that baby is a gorgeous 8 year old girl mentally gifted with no signs of Down Syndrome to the dismay of the medical community. We praise the God of heaven for healing Down Syndrome in the womb!!

Back Pain Healed!

During a service at BCFC the Lord revealed to Pastor that there were a few people that were in need of a back healing miracle. Brother Chad stood and after receiving the healing prayer Pastor asked how his back was feeling. Brother Chad shouted, "IT'S GONE, THE PAIN IS GONE!!" Then he said that two years ago he had a serious surfing accident, and he had terrible back pain ever since, he would have to take 2 asprin and 2 advil twice a day so he could bear the pain! He had taken pills that morning but then in faith he came to the service believing God would be able to heal him, and in an instance The Lord healed his back! Brother Chad is praising the Lord for his supernatural miracle of complete and total healing and NO MORE BACK PAIN!!!

Mental Healing, New Job!

Sister Jennifer from Baltimore called into BCFC because she had serious demonic oppression spoken over and into her life by different people and she could not

see her way out of the dark pit that she had crawled into. She was also in desperate need of a job. Pastor Paul led her in a prayer, she confessed her sins and forgave those she needed to forgive, they rebuked the evil out of her life and forbade the devil to have any part of her. Pastor told her, "Now expect a call for a new job by the weekend." Sister Jennifer called back 5 minutes later and said as soon as she hung up from talking to Pastor her phone rang and it was acceptance for the job she applied for!! Praise be to our AWESOME Lord who hears us when we repent and call on His name for help!!!

Pain Free Root Canal!

Sister Marlene from Reisterstown had a dentist appointment. When she went in and had x-rays done of her mouth, the dentist told her she would have to have a root canal done in one of her teeth! Sister Marlene was filled with dismay, for there were two people that she knew who had root canals done and they had both dealt with extreme pain! So after the procedure was finished the dentist prescribed a strong pain medication for Sister Marlene and on her way to the pharmacy to pick it up, The Spirit told her, "You don't need the prescription!" She asked, "WHAT?" And again the Spirit said, "You DON'T need the prescription!" So Sister Marlene went on home without filling the prescription and much to her delight, she had NO PAIN in that tooth at all! She is praising The Lord with all her heart, for she is not a fan of taking pills, and The Lord came through and not only was she spared from swallowing big pills every 4 hours, she was spared from all the pain!! Halleluiah to our sweet Savior!!!
