

Creative Miracle!

Sister Bonnie from Baltimore was diagnosed with hyperthyroidism 20 years ago. Her Doctor recommended that she receive nuclear medicine that would destroy her thyroid and told her that she would need to take medication daily for the rest of her life. For years Sister Bonnie took medication using the same dosage every day. But as she grew in her walk with The Lord she wanted to be healed and not be dependent on medication. On September 11, 2018 Sister Bonnie received a prayer for a creative miracle of a new thyroid during a service at BCFC. Several weeks later she had her annual physical. Her blood work indicated that she needed a reduction in her medication! Sister Bonnie is believing in Faith that when she goes to visit her Doctor again the medication will be discontinued because in Jesus she has a creative miracle of a new thyroid! Praise God for still healing thyroids!!!

Healed Heart!

Sister Odessa from Baltimore was out enjoying a day of shopping with her daughter when she started to have fainting spells. Her daughter rushed her to the emergency room and the Doctor told her that her heart was beating high, then low and she needed to see a Cardiologist right away. Sister Odessa made the appointment. On Sunday before she was scheduled to meet the Doctor, Sister Marcia was having an all-day Shabbat with Jesus at BCFC and invited Sister Odessa to stay. Sister Odessa and her daughter stayed and had a fantastic time praying and worshiping in the presence of the Lord where healings take place at every service! When Sister Odessa went to see the Cardiologist and they ran tests to see what procedure they would need to do, to the Doctor's great shock, the test results showed there was NOTHING wrong with her heart!! The Doctor stood up, shook Sister Odessa's hand and told her, "You are blessed, The Lord is with you!" Glory to God for showing up strong again with His Ultimate healing power!!

Healed from Colon Cancer!

Sister Tammy from Houston Texas was diagnosed with colon cancer a year and a half ago. Despite of all the medications and efforts made by changing some of her lifestyle, there was no significant improvement. The clock was ticking down and the Doctors finally told her there was nothing they could do to help her case, they suggested making peace with everybody because her days were numbered. A friend told her to go to the Baltimore Christian Faith website, listen to the messages and read the testimonies and maybe even call the church for prayer, and she did! On November 5, 2018 she called the BCFC office and asked for prayer. A word of knowledge came from the Lord before she reported anything to the Pastor, that she needed to renounce the spirit of inferiority and low self-esteem, which was causing her body to be deadly ill. After a few more instructions from the Lord, she warranted that the revelation was real, asked God for forgiveness and was prayed for in the Name of Our Lord Jesus Christ and that was the end of it. On November 19 Sister Tammy called to report that after the confession and prayer for healing, her body started experiencing some transformation and when taken to the hospital and being checked upon, for the astonishment of everyone around, her cancer has disappeared! She gives all the Glory to the God of Heaven, our Lord and Savior Jesus Christ who still cares for and heals His people!!

Bladder Healed!

Brother Alex from Baltimore was scheduled for an annual physical. When they ran tests the Doctor found a suspicious looking shadow in his bladder. The Doctor scheduled an appointment with a Specialist for farther treatment. Meanwhile, Brother Alex prayed and asked the Lord for total healing and restoration in his body in the mighty name of Jesus! Brother Alex went in for his appointment and the Doctor did a cystoscopy. When the Urologist spoke to Brother Alex he said, "I don't know what happened, but what we thought was there is gone, your bladder is healthy!" Brother Alex is thanking the Lord for His amazing faithfulness!
