

A Baby Boy

Sister Catherine from Portland Oregon called Baltimore Christian Faith Center and she said that she listens to our podcast every week. She heard a testimony of someone from Canada asking for prayer to have a baby, and the caller did receive her miracle. Sister Catherine has been married for 16 years and has not been able to have children. She decided to call Baltimore Christian Faith Center trusting that the Lord Jesus Christ will be able to give her also a child. When she called the pastor prayed for her and came into agreement that the Lord would open her womb and that she would have a baby within nine months. This past week she called back to give the Lord glory and praises and to testify that she holds her three- month old baby boy. Blessed be the name of the Lord who continues to do wonders for His people!

Financial Blessings

Brother Gary from Severn MD testifies of a great financial blessing. He testifies: “During a recent Sunday morning service, Pastor Paul had prayed for the sick and those in need. When he had finished, he asked everyone to grab their wallets and raise it up to God; he said God wanted to bless our finances. I grabbed my wallet and I claimed that promise of a blessing. Last week (2nd week of December) I found out from my employer that I got a promotion and a 10% pay raise! Glory be to God in the highest!!!”

It's a Girl

Sister Ogeamaka from Seattle Washington has been married for 11 years and faithfully serves the Lord with her husband. The couple has never been able to conceive and have children. She came across Baltimore Christian Faith Center website and was reading the testimonies of the miracle reports on how God had answered the prayers of Baltimore Christian Faith Center and all of those who have called or driven in. She particularly read one of a lady who couldn't have children and God answered her prayer and gave her a child. Sister Ogeamaka called Baltimore Christian Faith Center asking for prayer and trusting that the Lord would listen and give her a baby. A simple prayer of agreement was made. She now reports: “For the Glory and Honor of our Precious Lord Jesus Christ, today I hold a beautiful one-month old baby girl.” She blesses the Lord for continuing to answer prayers.

Promotion and Bonus

Sister Lakisha from Lansdowne also raised her wallet and claimed her blessing! She testifies, "About 1-1/2 years ago I received a very big promotion to my company's corporate management team. When I received this promotion, I was also told in so many words not to look for an additional increase in my salary for at least another 5 years or more. This was historically how it goes concerning "corporate" management positions.

I thanked and praised God because I serve the God of increase. Fast forward to this year, I desired in my heart to increase the amount in which I seed. This year it happened, my boss came to me on Dec. 8th and said congratulations Lakisha!! The raise I requested for you from corporate has gone through and you will see an increase on your salary effective January 2018; also you've been given a 5,000 dollar Christmas bonus. I was so excited and overwhelmed because my God has once again given me the desires of my heart. AMEN!

Vehicle Blessing

On November 2017, a word of knowledge came from the Lord that a few members would be blessed with a vehicle within seven weeks. Brother Tom's pickup truck "gave up the ghost" in the beginning of December. He called into our office for prayer of agreement that the Lord would provide him with transportation. Within 24 hours Brother Tom called Baltimore Christian Faith Center back and he testifies that the Lord blessed him with a vehicle that had only 10,000 miles and was only 2 years old with a price tag that was unbeatable! He also realized that the word of knowledge was meant for him and it was exactly 7 weeks from the moment the word was given to the point of sale of his car. He blesses the name of the Lord for continuing to keep his word.
