Home Saved

A lady called into the office one day greatly distressed because her home, which she and her husband had been paying on for 30 years, was being repossessed by the bank because recent job loss had made it unable for them to make the mortgage payment. She asked the Pastor to please pray for a miracle so that she and her husband would not have to leave all their beloved possessions behind! So, Pastor agreed with her for the Lord to do a miracle and that their house would be restored to them. A few days later the same lady called back bursting with excitement. When she and her husband went to the bank to see what they could do about this situation, the bank worker was looking at their files and said, "We made a huge mistake, we had your files mixed up with someone else's!" So, to the couple's great delight, their house was not in danger of repossession; and in fact, they had been OVERPAYING on their mortgage for years, so they had a year free of paying a mortgage. The bank said because of their big mistake they would throw in another year of no monthly mortgage payments! This lady and her husband are praising the Lord for working everything out for their good!! He is a great, loving Father!!

Cancer Gone

Sister Marcia has a sister, Grace who lives in Brazil and was diagnosed with breast cancer. Sister Grace was in a lot of pain and felt very tired most days. Pastor and Marcia prayed for her many times along with the entire BCFC congregation. There were many complications with the medications, and for several weeks she wasn't able to get treatment! Sister Grace never lost her hope in Jesus, she knew that the Lord was able to heal her at any moment. When her treatments were over she went in to have test done to see how her body was recovering. And when the Doctor came out to speak to her he said "There is no cancer to be found in your body, I am giving you a clean bill of health!" Sister Grace and her family are thanking God for touching her body and answering their prayers!! God is still in the business of healing cancer!!

Miracle Appointment

Sister Maureen of Timonium shared that on December 10 her husband received a call from his 94 year-old aunt in distress. Her dental implant had fallen out and she was very uncomfortable and not able to chew her food properly. Brother Robb assured her he would give her a ride if she was able to schedule an appointment. Praise God, she was able to have an emergency appointment scheduled for a week later. The dentist told her that, because of her bone structure being compromised due to her age, the implant would no longer hold and he would have to make a plate instead. A week later, they called to tell her that it would be impossible to make the plate for at least 12-14 days. She was devastated because this would mean missing Christmas celebration with her son and family because, not only would she not be able to eat anything, but also because she was concerned about her appearance due to the missing implant. Brother Robb and Sister Maureen immediately went to prayer declaring God's victory over this matter and requesting that He send an angel on assignment to manipulate calendars and schedules in the dental office to accommodate this situation in His perfect timing, after which they offered thanksgiving and praise that He heard their prayer. The very next day, Brother Robb's aunt received another call from the dental office telling her that some space had just opened up and the plate would be ready in 4 days, enabling her to comfortably celebrate Christmas with her family! Thank you Jesus!!

Shoulders Healed

Brother Mike attended a service at BCFC, where every service is a healing service, and after the Word was preached he was talking to Pastor about his health. He said he used to be able to get down and do 50 pushups every night but he had hurt himself at work and was unable to sleep well and was no longer able to do the pushups. The Lord impressed on Pastor to lay hands on Brother Mike and rebuke the spirit of pain, so that's just what Pastor did! The very next day Brother Mike called into the church office to speak with Pastor and told him when he got home he didn't feel pain, so he got down and in no time, he was able to do his usual 50 pushups! Brother Mike was so excited that he did 50 more pushups! He went to bed and slept straight through until the morning!! Praise God for still restoring bodies!!
