

It's Breakthrough Time!

Monthly Newsletter – July 2017

Some may easily ask: When is God's time for breakthroughs? The answer: In times of overwhelmingly difficult and impossible situations, when it seems like we are about to be swallowed by the huge problem in front of us, when it looks like "this is it" – nowhere to go.

At one point in his life, David the beloved King of Israel found himself along with his army facing an enemy that was hugely bigger than David's army. It looked so bad that King David had nothing else to do but inquire of the Lord, and the Lord responded telling him He would be with David and that He Himself would fight for David, and give him a breakthrough.

1 Chron.14:11 "David and his army marched to Baal-Perazim, where they attacked and defeated the Philistines. He said, 'I defeated my enemies because God broke through them like a mighty flood.' So he named the place 'The Lord Broke Through'".

Water is a very powerful element of nature. In times of typhoon, heavy rain, and storms, we notice the waters carry away heavy vehicles and big houses as if they were toys! But do you know what? In the midst of the storms of life your God, the God of breakthroughs, will show up and swipe away the huge obstacles in your life, just like water carries things away!

Like King David, you may now have problems and situations that seem extremely large or impossible to defeat, people opposing you like the Philistines opposed David. The pain may be unbearable, a miracle healing may seem impossible to achieve; don't give up! Your God who happens to be the God of the breakthrough will show up and He will release His flood of power and anointing upon your life. No problem will be unsolvable, no sickness impossible to heal, no situation He can't fix! Remember always: "He is the God of the breakthrough," and He will give you your breakthrough today because it's breakthrough time for God's people!

In His kingdom, your fellow servant,
Pastor Paul Santos
