

You've Got Rights, Exercise Them!

Monthly Newsletter – July 2018

Our precious Lord and Savior Jesus Christ came to earth and gave Himself as a sacrifice for sin, to purchase back for every one of His followers everything Adam had lost. John tells us: **"The Son of God entered the scene to abolish the Devil's ways."** **1 John 3:8**. This means that sickness and diseases, hereditary curses, poverty curses, works of witchcraft, dismantled families, abandonment and rejection, and all the lousy stuff in between, are included!

Once we receive Jesus Christ as the Lord and Savior of our lives, all blessings God originally intended for us to have, such as healing, deliverance, restoration, and blessings, along with fellowship with Him, are restored; Hallelujah!

These rights are ready and available, but you and I have to exercise those rights! That idiot called devil is an outlaw and even though Jesus has stripped him from any authority on earth, yet though he has no legal rights to kill, steal or destroy the children of God, he will keep doing it until we put a stop to it.

We read in Isaiah, "He certainly has taken upon Himself our sufferings and carried our sorrows...**But He was pierced for our transgressions; He was crushed for our iniquities; upon Him was the chastisement that brought us peace, and with His wounds, we are healed."** **Isaiah 53:4, 5**.

As it is, we clearly see that it's already taken care of; we must enforce that defeat by speaking God's Word with faith! We must act in Faith now and demand sickness and diseases to back off. Let's stick with the promises, and refuse backing away from those demands. Resist this low-life with all you have inside of you! He might put up a fight for a while, but eventually he will have to flee! These are our rights, and we need to enforce them! It's time to start enjoying the benefits of what has already been paid off for us! Enforce your rights now!

In Him,

Pastor Paul Santos
