

# **Your Life is a Supernatural Miracle!**

## **March 2017 Newsletter**

We serve a God of Miracles. A God who wants us to walk in miracles and to see miracles happen just like they did when our Lord Jesus Christ walked on this earth, just like in the days of the apostles and just like in the lives of the generals and many believers throughout the world today. The Bible tells us that Jesus Christ is the same yesterday, today, and forever (Hebrews 13:8). We serve an unchanging God. If we truly believe in our hearts that Jesus Christ is the same yesterday, today and forever, we will also believe that miracles will continue to happen today and also tomorrow. We read in John 14:12-14 the following words: "I tell you the truth, anyone who believes in me will do the same works I have done, and even greater works, because I'm going to be with the father. You can ask for anything in my name, and I will do it, because the work of the Son brings glory to the Father. Yes, ask anything in my name and I will do it!" (NLT)

Well if Jesus made this statement, it has to be true and we must believe it is true. The believers of today are going to do exactly the same thing as Jesus did, and even greater things! Not because of their own righteousness or their own power, but because Jesus Christ has said we would do it. Many times, people will use the last part of this scripture but they failed to understand that they have this

privilege to perform miracles just as in the days of old. They have the ability in themselves to perform even greater miracles than they are looking for. It is very clear that we are able to do the same work that Jesus has done along, with signs and wonders. From the bottom of my heart, I believe that our lives are supposed to be miraculous lives, not because of us, but because of what our Lord promised us in His Word. There is a hunger for knowledge, a hunger for the miraculous, and a hunger to walk in the supernatural. God wants his people to walk in the supernatural performing signs and wonders just like Jesus Christ our Lord and Savior and the disciples did. Therefore, all of God's promises have been left in the Bible to every believer, saying that we are able to walk in the supernatural and to do the very same supernatural works that Jesus Christ has done while He was here on planet Earth. Beloved, this is our hour. God is calling all of us believers to begin to do the same miracles Jesus did and even greater miracles!

Would you please allow your miraculous destiny to unfold in our generation, so that the Father will be glorified through our lives? After all, our lives are miracles whether we like it or not.

In His Kingdom, your fellow servant,

Pr. Paul Santos
