

# Lost or Despaired?? Not with a God Like Ours!

## Monthly Newsletter – May, 2018

Amidst so much instability around us as we read or listen to the news and all the chaos regarding police officers being killed for no apparent reason, mass murders at our schools and all the trash in the world media today, it's easy to feel lost for words. It's easy to lose hope; it's even easy to despair in the midst of all this. Not so with us Bible-believing people serving the Eternal God of Israel! As I was pondering all the events surrounding us, suddenly I was overwhelmed by His presence and a flood of promises came to comfort my heart. I want to share it with you!

We read in the book of Psalms 25:9: "He guides the humble in what is right and teaches them His way." (NIV) Chaos may be all around us, but our God promises to guide us on the right path, no matter how lost things might look! We continue to read in the book of Psalms 32:08: "I will...guide you along the best pathway for your life; I will advise you and watch your progress." What a powerful and encouraging statement! We are never on our own!

He continues promising: "For this great God is our God forever and ever. He will be our God until we die." Psalms 48:14 (TLB). That means you and I are covered protection wise no matter what is going on out there today, no matter what your health condition, family condition, or financial condition. We've got a God that will guide us until the day we die! And it doesn't stop there. Here is another promise: "You will keep on guiding me all my life with wisdom and counsel, and afterwards receive me into the glories of heaven." Psalms 73:24 (TLB) No matter where we may live on planet earth today, these promises are for all of us. David went as far as to say: Psalms 139:9-10: "If I go east where the sun rises or go to live in the west beyond the sea, even there you will protect me." (ERV) This is total coverage my beloved and we can count on it! You and I are special in the eyes of our God and He has our back. Let's praise Him for tremendous victories coming our way amidst all the chaos around us! Lost or despaired? Not with a God like ours!

In Him,

Pastor Paul Santos
