

LIVING THE GOOD LIFE!

Monthly Newsletter October 2017

Many times, when someone says that our God wants us to have the good life, some will take offense with it. The very first thing they say is: "Making all that money, anyone will have a good life; I would too!" The Lord Jesus Christ came to prove that this way of thinking is not quite correct. He said in John 10:10: "...But I came to give life—life that is full and good." (ERV) "...I came so they can have real and eternal life, more and better life than they ever dreamed of." (MSG)

I still believe that God wants you and me to live a happy and satisfied life; otherwise, He would not have made such a statement. In the book of Psalms, we read: "He wanted a good life; You gave it to him, and then made it a long life as a bonus... You have given him blessings that will last forever, and You have made him glad by being so near to him." (MSG, CEV)

I believe we have been intoxicated with an erroneous way of thinking which tells us that, in order to have a good life and please God, we either have to make lots of money or make a poverty vow. That is ridiculous! God wants each one of His children to live the good life--end of story. We should not limit God in blessing us because of our income; God is bigger than that! We should not muzzle our God concerning our healing and breakthrough because of what physicians or financial advisers may have said! God wants you and me to live the good life; go for it! Thank God for the doors and opportunities that will be popping up all over for you. Have a good, blessed and fruitful life!

In His service, your fellow servant,
Pastor Paul Santos
