

## **The Light and You**

### **Pastor's Desk – April 22, 2018**

We read in the book of Psalms 119:105, Your word is a lamp to my feet and a light to my path.

Recognizing God's word as the final authority in our lives is a sure path to enlightenment and success in this dark world. It's the voice that can transform a dead, meaningless existence into a life filled with joy, peace and purpose.

It would be great if we would realize that this light is always present when we choose to follow and obey it. It's like the Lord will light one bulb and as we walk in faith, another light will appear, and then another, and another, until we realize that His way was never hidden from us, but ready to be revealed at the precise moment in time as we progress in our walk of faith.

It's no wonder Solomon said: The lifestyle of good people is like sunlight at dawn that keeps getting brighter until broad daylight. Prov. 4:18.

May His bright light brighten your day today.

In His service, your fellow servant,  
Pastor Paul Santos
