

Confidence That Only Grace Can Bring!

Pastor's Desk - May 12, 2019

According to the Apostle John in Revelation 4:4, 11:16 and 20:4, there are several thrones in Heaven. I don't quite know what they are all called, but I sure have a favorite one; It's the "Throne of Grace"! I guess you might have figured out by now why. One of the most beautiful things about the "Throne of Grace" is the fact that "grace" will erase our fears of coming and standing before our Holy and Awesome God! Through the blood of Jesus, it's no longer the "throne of judgment"; a friendship has been created between God and us.

When the critical needs in life arise, we are able, and can approach the "Throne of Grace" with the confidence of someone who expects a sure, certain and swift answer from our dear Heavenly Father. The most awesome thing about this "Throne of Grace" stuff is, the very grace that has bought Jesus into this world to redeem us from eternal punishment, is always present at the throne replacing fear with confidence that nothing can rob us from all the answers from our precious Father.

Go right ahead run to "Throne of Grace" boldly, confident with the knowledge that He (God) will not only hear you, but also answer all your requests.

Welcome to "the Throne of Grace"!
