

It Cleanses Better than Bleach

Pastor's Desk – May 14, 2017

We all know the cleansing power that bleach has. Hardly anything stained or very few types of dirt will stand the power of bleach. It's delightful to see how good it looks when bleach is applied and the garment or utility becomes white and clean. The only down side of bleach is that while it cleans, it may also cause damage to cloth or discolor some of the things it cleanses.

I know of something else that cleanses better than bleach; and instead of destroying some of the articles it touches, it can actually repair and amend. It is the blood of Jesus! The Bible says: Heb. 9:22: "As Moses' teachings tell us, blood was used to cleanse almost everything, because if no blood is shed, no sins can be forgiven." As you can read, blood cleansed almost everything. Sins are forgiven of all the filth that one may feel as a result of its work in people's lives.

That blood can deliver our children: Heb. 11:28: "Moses prepared the Passover and spread the blood on the doorways of the people of Israel, so that the angel of death would not kill their firstborn sons." Let me tell you, no bleach is as powerful as the power of the blood of Jesus. We continue to read: Rev. 1:5: "Jesus is the one who loves us and has made us free from our sins with his blood sacrifice." It does not matter how ugly and dirty or filthy life may have been, Jesus' blood will not only cleanse your body, soul and spirit; it will also forgive all your past sins!

Be cleansed in the blood today!

In Him,
Pr. Paul Santos
