

## Our Children Are Protected by Divine Agents

What a relief to be assured that even when our children are out of our site, they are within our Heavenly Father's site. Reading Mathew 18:10 gave me great amount of encouragement and comfort this morning. Listen to the words: "Beware that you don't look down on any of these little ones. For I tell you that in Heaven their angels are always in the presence of my heavenly father." (NLT)

Our children are so special and worthy in the site of God that He has assigned supernatural protectors to each one of them. I believe that it is on us to create that godly environment for our little ones and children as well, that their angels, who are in the presence of God daily can move and protect them at all time.

One may ask: Why are you putting this on us parents? Because according to the Scriptures we are told not to look down on these little ones. Meaning they are worthy before God! He will care for them in all the ways we can't. That should cause our hearts to be unspeakably grateful to the Master's care, who assigns divine agents to care for them at all times especially when they are out of our site. Your child has an angel assigned to protect them, let's create the spiritual environment where they will blossom in the presence of our Heavenly Father.
