

Immeasurable Blessings!

Pastor's Desk – July 9, 2017

A few months ago, a saint came to me asking for prayer for the entire family. One of the children was incarcerated; another was diagnosed with mental illness, the spouse had left with a younger mate and, of course, that parent fell sick and lost the job which was the only source of income! You may say: Man what else could go wrong with this poor soul? The Word of God in that morning was: Eph.2:7 “...that He might clearly demonstrate through the ages to come the immeasurable (limitless, surpassing) riches of His grace (His unmerited favor) in His kindness and goodness of heart towards us in Christ Jesus.”(AMP)

I am not saying that God did that to this beloved saint. I am just saying, when things get catastrophic as it did in this saint's life, God will move in and clearly demonstrate extravagant favor in our lives. We should look at every unpleasant situation as an opportunity to witness God's wonderful favor at work in our lives.

We agreed in prayer for a turnaround as God's Word teaches us, and within four weeks, that saint got a new job paying twice more than the previous job, the child with mental illness was healed and is back in college, the other child was suddenly set free on parole and is attending a church. This beloved saint has been healed and an inheritance from a distant family member came through that was enough to pay all debts and buy a new car, cash! The Name of the Lord is being glorified!

You may think your situation is permanent. You've been having it rough for a long time, and all things point towards a sad end. Well, let me tell you it's not permanent! Cheer up and start believing, God is just about to show you "the unlimited, immeasurable, surpassing greatness of His favor" in your life! You'll see His favor like you've never seen before. I agree with you now, in Jesus Name, that God will bless you so mightily, these blessings will catapult many years ahead, in Jesus Name!
