

# Endless Food Supply for Free!

Pastor's Desk – July 17, 2016

I have found the solution for the hunger problem in our country and maybe in the world. We are bombarded on a daily basis with pictures of poor, malnourished children all over the world, including our country, and then a compassionate voice comes on the video to tell us how desperately these kids need our help to be fed. Although I have no problem in helping the orphans, most of those kids are where they are, because someone messed up along the way.

So what do we do? In the book of Psalms 111:5 we read: “He provides food for those who fear him; he remembers his covenant forever.” The solution is, teach them and especially their parents, about the key for never going hungry again: “fearing our God.” The Bible tells us “the fear of the Lord is the beginning of wisdom” by fearing God will not only prevent them from doing the same mistakes, but it is a sure guarantee that they will never go hungry again!

Today's verse says that the Lord will provide food for (the hungry) those who fear Him. It is something we can bank on. They will never lack food, because God remembers His agreement with those who fear Him forever! David said in Psa. 37:25 "I have been young, and now am old, yet I have not seen the righteous forsaken or his children begging for bread." So the solution for the hunger problem is as easy as fearing God. Let us not only help them with material bread, let's feed them with the bread of life. There is endless food supply in the storehouse of our God! God will remember His commitment to every one who fears Him, and will sustain their stomach, and even the things that are hard to come by.

God has abundant supply in His storehouse; aren't you glad He is a sharing God?
