

God's End of Times Militia!

Pastor's Desk – July 22, 2018

**According to God's Word,
you and I are the ones who stop satan.
How? By putting up a resistance!
We need to become
more conscious and aware that
the light and the power
of God resides in us.**

What is God's end time militia? God's militia is a military-minded force that engages in rebel activities and opposition to the devil's army and activities. It's all able-bodied civilians eligible by God's Word for military service resisting man's greatest enemy, satan! We are instructed by our master in His Word to "Submit yourselves therefore to God. Resist the devil and he will flee from you." James 4:7. Many of us are crying to God to run the devil out of our lives. Stop!! That's not how it works! How does it work you may ask? According to God's Word, you and I are the ones who stop him. How? By putting up a resistance! By rebelling against him when he sends his emissaries our way to try to convince us of things contrary to what God says about us in His Word.

Anytime the devil brings a lie our way, we contradict him on the spot with the Word of God and put up a resistance. We don't give in just like that. We must oppose this low-life with every fiber of our being, by reciting back what God's Word says! The verse above says how it works. Everywhere we go, when we walk in faith with the Word of God on the tip of our tongues,

fiercely opposing him, not only will darkness be pushed back, our opposition will frustrate him and he has to flee, running in terror of you and me.

It's time to start pushing back darkness, negative reports and negative behavior. We can do it!!! We need to realize that the life of God is in us and that every problem that rises up against us, every spirit that tries to influence our lives and destiny, is coming up against our God Himself when they come up against us!

We need to become more conscious and aware that the light and the power of God resides in us. Let's begin living our lives moment by moment in victory mode. We are enlisted by God to put up the resistance in our days, and we are part of His militia. Let's arm ourselves with the Word, fight back and watch that idiot scamp!

In His service,

Pr. Paul
