

The “Good Things” Giving God!

Pastor’s Desk – July 31, 2016

A child can never have too many fathers - especially when one is completely perfect! In a society where family values are falling apart by the wayside, where every means of communication promotes promiscuity, indecency and immorality, there are millions of children who desperately want a father, who is and will be a true father.

While in the material realm, it might be basically impossible, let's introduce them to real father, "God" the "Father", the best father one could ever ask for. Those of us who are fathers now might make many mistakes, but the One we serve, will make up for our failures! Mathew 7:9-11 reads: "Would any of you give your hungry child a stone, if the child asked for some bread? Would you give your child a snake if the child asked for a fish? As bad as you are, you still know how to give good gifts to your children. But your heavenly Father is even more ready to give good things to people who ask." (CEV)

The beauty of this scripture is that God's gifts for His children will be just that: gifts. No tricks, no nasty surprises, no snakes when we ask for fish. That's it! As the good father that He is, He will always give good things; nourishing things to His kids, even when our earthly fathers may fail, He will make up for them!

I firmly believe that He is the best “Dad” we can think of, and therefore we should fully rely and trust Him. He is still the “good things giving God” today. Let’s get used to Him and introduce Him to this new generation. After all, He is the best “DAD” we will ever have!

In Him,
Pr. Paul
