

Rebel New Nature!

Pastor's Desk – August 26, 2018

Romans 12:2 says "Don't become so well-adjusted to your culture that you fit into it without even thinking. Instead, fix your attention on God. You'll be changed from the inside out. Readily recognize what He wants from you, and quickly respond to it. Unlike the culture around you, always dragging you down to its level of immaturity, God brings the best out of you, develops well-formed maturity in you." I believe we have a new rebel nature!

When we live well-adjusted to the world, we will end up overcome by the world! So, we should not allow the world to squeeze us into its mold! The better way is, being transformed by the entire renewal of our mind (thinking process!) Rebel against the word of the day, which says: Its pollen season and everybody will be miserable and have stuffed noses! Let's fix our attention on God and have a different approach. It's pollen season all right, but I will not have a stuffed nose, nor will I be sneezing constantly! God's Word says in Psa. 91:10 "No diseases will come near my home." That, right there, is a rebel mind. I dare to think about me and my house as God thinks. I speak the Word of God and stand on it!

If the sinful desire comes by, we will shout: "I am a new creation old things [you skunk] have passed away; ...all things have become new." 2Co 5:17
You can't have me anymore! As we do that, we'll find ourselves changing like a world overcomer, a rebel by nature that will not settle by whatever the world is currently saying!

Rebel against the odds today, it's in our new godly character!

In His Kingdom,
Pr. Paul Santos
