

Get Ready For Restoration!

Pastor's Desk – October 1, 2017

I firmly believe that it is God's will for each one of His children to live a happy and satisfied life, and I will prove it! We read in the book of Joel these powerful words: Joel 2:25-26 "I will restore to you the years that the swarming locust has eaten, the hopper, the destroyer, and the cutter. My people, you will eat until you are satisfied. Then you will praise Me for the wonderful things I have done. Never again will you be put to shame."

There are these powerful promises that the Lord will restore everything that has been devoured from our lives! One might ask: How come I don't see the manifestation of such promises in my life? Well, perhaps we must develop that restoration, expectation, and satisfaction attitude! Start believing and expecting things to change starting today! Stand firm on your ground and be strong-minded; do everything within your power to legally recover what the locust has eaten and devoured from your life. Strong will and determination will play a big role in this, along with an unshakable faith and desire to succeed, seeing God's promises unfolding right before our eyes!

There will be obstacles and bumps on the road; but if we keep on believing, God has the ability to convert every bump, every obstacle into an opportunity for a blessing. God is in the business of restoring blessing to His people. He does not want us to be ashamed, but restored and satisfied. There are no praises to God in our shame and wanting. But there's sure praise bursting out of our lips when His favor and restoration start unfolding. Be restored and satisfied today!

In His service,

Pastor Paul Santos
