

How Tasty is Your God?

Pastor's Desk – November 4, 2018

**“Trying to figure out what just happened in our lives
or the lives of our loved ones,
will undoubtedly fail and frustrate us,
but running to Him and tasting His goodness
will bring blessings and keep us close to Him. ”**

“How Tasty is Your God?”

November 4, 2018

I guess this is a strange question to ask when talking about our God, right? Nevertheless, every time we bring something into our mouth to taste, we will decide how tastful it is but can't get a thorough idea of it until we swallow it! It's somehow an experience where, that food we are tasting will become part of us in a sense, we will digest it, and there is a very close proximity in the act of tasting! The remaining question is: Can we do that with God? Can we taste Him? We can according to Psalms 34:8: "Open your mouth and taste, open your eyes and see-how good GOD is. Blessed are you who run to Him." (MSG) The word taste in Hebrew is the word "taw-am", which means "to open one's mouth to taste something!"

I can think of very few other expressions God could have used to try to get as intimate with us such as this! The more intimate we get with Him as tasting, the more convinced we will be that He is good! In times of adversities and pain, when we run to Him, we will taste His goodness in ways we could never imagine! Trying to figure out what just happened in our lives or the lives of our loved ones, will undoubtedly fail and frustrate us, but running to Him and tasting His goodness will bring blessings and keep us close to Him.

So have you “tasted” how good your God is lately? Remember, especially in hard times, when we voluntarily taste the goodness of our God, we will be rewarded: “Blessed are you who run to Him!”

In His service, your fellow servant,
