Toes Healed at the moment of Prayer!

Sister Julia from Baltimore Maryland writes, "I had been having pain in my toes for about a year. Nothing seemed to help- I went to the Doctors but the doctors couldn't find the problem. I tried buying different kinds of shoes but to no avail the pain continued. I came to Baltimore Christian Faith Center and Pastor Paul called out someone with pain in their toes, I stood up and received prayer from Pastors Paul and Marcia. The pain stooped immediately! Praise the Lord! I have not had any pain since."

What a MIGHTY GOD WE SERVE! What Doctors cannot find or cure GOD can HEAL! God is always interested in your well-being! It doesn't matter whether it's great or small! God's love for you is unconditional! Except Him! Jeremiah 31:3 says: "Israel... Met God out looking for them!" GOD told them, "I've never quit loving you and never will. Expect love, love, and more love!" MSG.

Arthritis gone just by uttering 5 words!

Sister Marianne from Virginia has been suffering with EXCRUCIATING pain from Arthritis in her hips and tail bone. She went to a doctor and he could do NOTHING for her. He told her that surgery was the ONLY option. She states, "A friend of mine, Mary, received healing at this church called Baltimore Christian Faith Center. My friend said, 'If you go, God is going to heal you.' I decided to come to a Tuesday morning service and Pastor Paul was teaching on the Power of the Name of Jesus and I received it by faith. I went to the altar after the service and Pastor came up to me the uttered these words; 'By HIS stripes you are healed.' I received those words by faith." God also woke sister Marianne up that same morning and said, "Today the God who created you is going to re-create you and give you a new body." The next morning when she woke up she noticed that her body was TOTALY FREE from pain! The surgery was canceled due to no sign of arthritis! Sister Marianne was so excited that she went to a homeless shelter in DC and by the word of her testimony, several women were miraculously healed!

Promotion Granted!

Neuropathy Cured!

Sister Ida of Baltimore is testifying of the goodness of God and would like to give God glory for the healing that took place on a Tuesday morning service! She reports, "On Tuesday morning, Pastor Paul was teaching on how to get healed and how to KEEP your healing. I was standing in the back due to pain and discomfort of my feet and big toe. Through mid-service I heard Pastor Paul walking down the pulpit and he said, 'The Lord just said he is healing someone with Neuropathy and the swelling of the feet and big toe!' IMMEDIATELY I felt my feet shrink in my shoe and the pain in my big toe ceased! What Pastor did not know is that I have been diagnosed with neuropathy for more than 10 years and there has never been a cure for it. I thought that this was a condition that I would just have to live with for the rest of my life- BUT GOD who can who can heal the incurable healed me!" Sister Ida since then has not had any pain and she's gotten new shoes and has been able to dance in the presence of GOD!

**This is YOUR Year of
Visitation!**

Brother Adedapo from Randallstown Maryland has been on his job for a while and for three consecutive years he has had his eyes on a promotion. Recently the opportunity came and all the employers were encouraged to apply. They had to go through a series of test and everybody tried to discourage him from trying to apply for that position because they were senior workers that worked in that department for 25 years.

He came to church and asked for prayer from Pastors Paul and Marcia for the promotion. A prayer of agreement was made on the spot. Not only did he get his prayers request answered, but he got more than what he asked for! Instead of the promotion he asked for, he was promoted to director of the whole department! He gives God ALL the Glory for this!
