Financial Freedom

Sister Lakisha from Halethorpe shares her amazing testimony of the faithfulness of God. In 2019 she started her journey of becoming debt free. In 2020, during the pandemic she volunteered to help out a family member and took custody of a 4 year old little girl which put a major hold on her debt-free plan, she also spent more money than she expected. After the little girl went back to her mother, she prayed and asked God for wisdom in what she should do. The very next day God answered her prayer and blessed her with two forms of additional income, (part-time jobs) that she could do from home! Sister Lakisha was very excited and thought "wow, now I can really get my debt ratio

back down!" But God had more blessings in store for her!

In December 2020 much to her surprise, the Lord DOUBLED her yearly Christmas bonus, and she is now debt FREE!! The Holy Spirit brought back to her remembrance the word she had received in 2019 that she would be debt free. Sister Lakisha is giving the Lord ALL the credit for the huge financial breakthrough in her life, she knows it was The Lord, and Him alone that came through big time for her!

Praise be to King Jesus, who is the giver of every good gift and loves to pour out abundant blessings on His children!!

Carpal tunnel Healed

Sister Carolyn from Pittsburgh attended a Tuesday morning service, and the word of knowledge came to the Prophet that she needed to be healed from Carpal Tunnel. She had lumps on both of her wrists and couldn't use her hands for long periods of time before she had pain in her wrists. She had been dealing with this for several years. After being prayed for, the next morning she woke up and the lump on her right wrist was completely gone and the one on her left was almost gone as well!! She has NO PAIN in her wrists at all and Sister Carolyn is glorifying the Lord Jesus Christ for His Ultimate healing power and for the huge blessing of using her hands and wrists without pain! Hallelujah!!!

If the Lord has done anything worthy of reporting, please let us know so we can put it on our next miracle report! We are overcomers by the blood of the Lamb and the word of our testimony!! Praise God and be safe and remain healthy in the name of JESUS!!

Saved from death

Sister Pauline shared the testimony concerning her brother, who was in the ICU, and in a coma with many health issues and there was not much hope from the doctors for his recovery, as they told Sister Pauline that he would pass away within a month. She called the office a few weeks in a row, agreeing with a sister in faith that the Lord would save her brother from this terrible situation and from hell, as he was not a believer. Sister Pauline called back a few months later with the good news that her brother was out of the hospital, recovering and able to speak! The doctors are shocked at this miracle, as they had given up on his recovery! Praise be to our Lord and Savior who is never late but always on time!!

Isaiah 41:10

Do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteousness right hand.
