Miraculous Healing

Sister Rasheeda from Randallstown shares her testimony about the healing power of God. She was scheduled to have a few procedures done, and the doctors said they were “no big deal” and she would bounce back fast. During the second procedure, something went very wrong, the doctors hit a nerve close to her neck and it paralyzed sister Rasheeda! She could not move her body, just her arms and had very small movement in her legs. After a few more tests the doctors told her that she would never walk or be able to sit up again. Sister Rasheeda informed them that she WOULD walk and be able to sit again, because she served the Ultimate Healer whose name was Jesus. She was

released from the hospital and on strict bedrest. Sister Rasheeda kept proclaiming the Blood of Jesus over her body and believing in Faith that she would be healed. In a few weeks she was able to walk with a walker. She attended a service at BCFC and during the call to prayer she stood to be prayed for. Since then, she has stood for prayer a few more times and also received prayer from the ladies prayer group on Saturday mornings. Today sister Rasheeda can walk without the walker, she can sit just fine, and she gives all glory and praise to her King Jesus, who is the author and finisher of her faith! Halleluiah that we serve a King who loves and wants the very best for His children!!

Touched by Jesus

Brother Chet from Annapolis attended a Tuesday morning service at BCFC. He had a few family members that were in need of healing, so he stood for them during the prayer call and asked the Lord to touch and heal them.

What brother Chet did not mention to anyone was, his right leg was throbbing with pain so badly, he could not walk or stand straight! During the time of prayer another brother needed healing in his legs and back, and while Pastor was praying for the other brother, brother Chet felt the healing power of Jesus flow over him, and he was COMPLETELY healed right there on the spot! He is dancing with absolute joy at the amazing and miraculous touch of our Lord! Thank you, Jesus, for healing even before we ask!

Healing in the Body

Sister Barbara from Columbia was dealing with a lot of physical issues, and one of them was her balance in which she had to use a walker to get around. She attended a Sunday morning service at BCFC and when it was time for special prayer, she went forward and requested prayer. On quote she said, "all that I can tell you is that I felt the power of God flowing

over me, I could not talk or move, I could only stand there in the power and presence of The Lord and feel my body change!" She felt strength come back to her legs and when she walked back to her seat, she did not use her walker at all! She knows the Lord touched her in a special way and she is glorifying His Holy name for touching her body from head to toe with His healing power!! Thank you, Jesus!

Psalms 103:1-5

Bless the Lord, O my soul: and all that is within me, bless His holy name. Bless the Lord O my soul, and forget not all His benefits: who forgives all your iniquities; who heals all your diseases; Who redeems your life from destruction; who crowns you with lovingkindness and tender mercies; who satisfies your mouth with good things; so that your youth is renewed like the eagle's.
