

Miracle Report

FEBRUARY 2016

Back Pain

Sister Donna came to Baltimore Christian Faith Center one Tuesday morning. She had been using a heating pad when she had a sharp pain in her back. The Lord gave Pastor Santos a Word of Knowledge that someone would be healed in the back and he turned around and pointed exactly to the spot near his shoulder blade. Sister Donna realized that was for the pain she had been experiencing! Pastor Santos declared God's promises over her and by the end of the service she had no more pain – all pain had gone while he was praying for her! Praise God! We love You, Yeshua!

Hair Loss

Sister Marcia of Owings Mills noticed that her hair was falling out a lot. She did not know the reason why she was losing hair every day. She prayed with her husband in agreement and the Lord healed her! She is no longer losing hair, it is actually growing back! Her hair shall be for God's glory and honor! She thanks Jesus for this wonderful miracle!

Finances

Sister Penny of Randallstown was praying on Friday night asking God what she should pray for during the Prayer Chain when she was scheduled the next morning. While she was praying, the Holy Spirit spoke to her and stated that while praying is great, there also is the need for resources. She said, "Okay God, I am stepping out on faith," so she wrote a check for the Building Fund and placed it in the basket on Saturday morning. The following Monday she received a check "totally unexpected" for four times greater than what she had sowed! God is true to His word – obedience is better than sacrifice! Hallelujah!

New Car

Sister Eleanor of Baltimore testifies that God gave her a car! She recently received a nice car from a niece she had not heard from in years! Hallelujah! Glory to God!

Swollen Legs

Sister Janet of Woodlawn was concerned about the swelling of her mother's legs, especially the right leg. At a Sunday evening service, Sister Janet asked Pastor Paul for prayer for her mother to bring healing against swelling, especially of the right leg. The next morning, Sister Janet checked her mother's right leg and the swelling was completely gone! Since that time her legs have been much better; not as much swelling comes back and when it does, Sister Janet comes against it with the Word. Praise the Lord!

Blessing

Brother Deion of Randallstown shares that when he entered the church on February 21, he found a card waiting for him with his name typed on it. He opened the card and it contained \$40, but it had no name or anything else with it. He blesses the Lord for putting it in someone's heart to bless him! He asked the Lord to grant their heart's desire and to bless them financially! Bless the Holy One of Israel!

Complaining

Sister Jenny of Woodbine testifies that Pastor Paul challenged everyone on Tuesday to stop complaining for 40 days. This is something she had already been working on for years but knew she could always use a tune-up. It takes practice and she is not perfect at it, but awareness is a key. In just a few days, she noticed a difference and knew that within 40 days complaining will be a thing of her past! Praise the Lord!
