Miraculous Healing

Sister Hazel from Baltimore had a stroke and was hospitalized for several weeks, she had not been conscious for 2 weeks, and when she woke from the coma she was hardly able to move her arms and legs. Pastor and co-pastor heard about her condition and went into the hospital to pray for her, she stayed in the hospital for a few weeks longer and then was sent home. The doctors told her she would never speak clearly again, her speech would be slurred at best, and walking on her own would take intense physical therapy, they were not hopeful that she would be able to accomplish that. Sister Hazel chose to believe the living Word of God and spent hours a day praying in the Spirit. After a

few weeks she was able to walk with a walker around her house, but sister Hazel believed for her COMPLETE healing! Her speech became better and soon she was able to walk totally on her own! She attended a Sunday morning service to testify of what the Lord has done in her life, and her speech was perfect, no one had a problem understanding every word that was spoken!! Sister Hazel is glorifying the MIGHTY name of Jesus, who is the Ultimate Healer, still today! There is nothing impossible for our Lord, all we must do is stand on the Living Word of God, proclaim the truth and BELIEVE! What a mighty God we serve!

Purse Recovered

Sister Virginia went to Home Goods to do some shopping, after she found what she was looking for, she made her purchase and took her things out to her car. As she got in her car to leave, she realized she did not have her purse! Sister Virginia went back into the store to ask the cashier if she left her purse there and they were not able to locate it! As she walked towards the door, she said in a loud voice, "Help me Jesus!" After saying this small prayer 2 times, a lady walked in through the door holding sister Virginia's purse!! The lady told her, as she was leaving she saw this purse sitting on the parking lot and felt led to bring it into Home Goods, which is where sister Virginia was! There was nothing missing in her purse, everything was exactly as she had put it!! The verse sister Virginia is standing on is found in Psalm 107:6, "Then they cried out to the Lord in their trouble, and He delivered them from their distress." She is exalting the name of Jesus, who came through big time for her in her time of distress!

Sciatic Pain Healed

Sister Jenny was dealing with some severe pain in the sciatic nerve in her leg, and it was so bad that she was having difficulty walking! One morning her husband, brother Cecil

asked her how she was feeling, and she said it was really hurting at that moment. Brother Cecil took full authority in the Mighty name of Jesus and commanded that spirit of pain to GET OUT, RIGHT NOW in the name of Jesus! The pain instantly decreased, and as the day went on, it TOTALLY vanished!! Sister Jenny is delighted to be able to dance during worship at church again, pain FREE!! Our Lord Jesus is still in the healing business, Hallelujah!!

Psalms 103:1-5

Bless the Lord, O my soul: and all that is within me, bless His holy name. Bless the Lord O my soul, and forget not all His benefits: who forgives all your iniquities; who heals all your diseases; Who redeems your life from destruction; who crowns you with lovingkindness and tender mercies; who satisfies your mouth with good things; so that your youth is renewed like the eagle's.
