Glaucoma Healed

Sister Jeanette from Baltimore was having serious problems with her left eye for a few weeks, she could hardly see out of it anymore and it made her nervous to drive. When she went to the eye doctor, a few doctors wanted to see her and they all told her she would have to have surgery.

Sister Jeanette attended a Tuesday morning service at BCFC "How to keep your healing" and after the service, she spoke to pastor about the difficulty she was facing, she was very stressed out at the thought of having eye surgery, and asked for prayer. Pastor prayed for her and a week later she came back with GOOD NEWS! When she went to the doctors after the prayer, they did more tests and to their great

astonishment, they could not find anything in her eye! Sister Jeanette is praising and glorifying the name of the Lord for perfect eyesight. It is Him and His power alone that still performs these awesome, healing touches today!

Tooth-ache Healed

Sister Mary from Baltimore was having a bad tooth-ache and when she attended a Tuesday morning "How to keep your healing" service she stood and asked for prayer. She was anointed and prayed for and the tooth-ache immediately vanished! She is praising the name of God, who is the giver of every good gift, and who loves to bless his children with healing!!

Lower Back Healed

Sister Marlene from Pikesville was struggling with lower back pain for a few days, she attended a Tuesday morning service and during worship the pain got so bad she could hardly walk! The presence of the Lord came down very strong as the congregation was worshipping, so she put her hands where the pain was and took authority in the name of Jesus and commanded the pain to leave! Right on the spot, the pain left and she walked out of church pain free!! Halleluiah, we are more than conquerors by the blood of the Lamb! Praise be to our wonderful Healer, King Jesus who is still in the business of healing His people!

If the Lord has done anything worthy of reporting, please let us know so we can put it on our next miracle report! We are overcomers by the blood of the Lamb and the word of our testimony!! Praise God and be safe and remain healthy in the name of JESUS!!

Supernatural Healing & Protection

Sister Mary from Baltimore has a sister who was diagnosed with breast cancer, when the doctors had all the tests taken, they told her it was serious and they did not think they would be able to get all the cancer if they do surgery. Sister Mary stood in the gap and prayed for her. When the time came for more tests, to the great shock of the doctors there was NO cancer to be found!! Praises be to our awesome healer, Jesus Christ! Sister Mary also shared that she has a nephew who lives in Texas, and when the snow and ice storm went through, the Lord spared them from trouble, they were one of the few that did not have their water pipes busted and their electricity go off!! Praise the Lord for taking care of His children!!

Isaiah 41:10

Do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteousness right hand.
