### Skin Tag Gone

On Friday morning, Sister June of Ellicott City noticed a sharp, annoying pain under her left arm and found a large, angry skin tag catching on her clothes. There had been a very small one there for years she had simply tolerated, but this had grown exponentially in minutes. Romans 8:16-17 and 2 Peter 1:3 says "We are heirs of God and fellow heirs with Christ and therefore according to His divine power has granted to us all things that pertain to life and godliness." She knew these are more than spiritual truths—they are Kingdom laws and we not only have the authority but the duty to take command over Satan's attempts to harm or

frustrate us. She took authority over it, commanded it to leave and go into the pit of hell in the name of Jesus, and believed she had what she asked for based on scripture. When she woke up Monday morning, there was no sign of the skin tag and her skin was healed. All praise goes to our incredible God!

If the Lord has done anything worthy of reporting, please let us know so we can put it on our next miracle report! We are overcomers by the blood of the Lamb and the word of our testimony!! Praise God and be safe and remain healthy in the name of JESUS!!

## Healed with singing

Sister Angela from Ellicott City received a phone call from a friend who was in great distress because her mother was rushed to the hospital with congestive heart failure! So sister Angela along with her friend went to the hospital and prayed for this lady and after spending time in prayer and singing over her, she started to recover! Her healing came fast and she was sent home, Praise be to God who is still in the healing business and is ready to assist the prayers of the righteous!!

## Food protected

Sister Bonnie from Havre de Grace wanted to bless a friend in need so she stopped at a fruit and vegetable stand and bought a few items. She planned to give half of the goods to her friend and take the remainder home. She delivered the fruit and vegetables, then went on her way. After two blocks sister Bonnie realized the hatch of her car was opened! She made a U-turn to retrieve her goods, hoping and praying she would find them undamaged! Sure enough, as she drove up to the house she had delivered to, the box was there, in the middle of the road, untouched! She had been reading about angels, how they will guard us so we don't hurt our foot on a stone. Sister Bonnie says she believes angels will guard fruit and vegetables also!!

## Tear duct healed

Pastor Teddy and Sister Marlene had a doctor's appointment for baby Arielle. It was a normal scheduled checkup. The doctor checked the baby out and said all is great except for the right tear duct isn't completely closed up and may leak for a few months but will clear up on its own. It is nothing to worry about. On the way home Sister Marlene started to think about the power in the name of Jesus. And a leaking tear duct isn't painful, but it does make a mess and she felt sorry for Arielle, to constantly be wiping her eye! So taking authority in the name of Jesus and power of the blood, she commanded the tear duct to be completely closed and no more leaking. The next morning there was a very small amount of leaking, and by the second day, it was completely healed!! Glory and honor to our sweet Jesus whose healing power is available all the time! We don't need to wait a few months, healing can be on the way immediately!!

During these times of uncertainty in the world around us let's remember who we are!

## 2 Timothy 1:7

For God has not given us the spirit of fear, but of power, and of love, and of a sound mind.
