### **Tumors Healed**

Sister Janet from Windsor Mill was having serious stomach issues, she had bloating and pain from 2018- 2020 so she went to the doctors and when they ran tests, it showed she had a stomach ulcer. She stood for prayer several times at BCFC and received healing prayer for her situation. She was scheduled for an endoscopy on April 9, and as she went, sister Janet confessed her healing in the name of Jesus and as the test results came back, to the doctor's great shock, the stomach ulcers were completely GONE!! Her stomach is the very picture of perfect health! She gives all glory and praise to the best physician, our Lord Jesus!!

### **Hernia Healed**

Brother Garland from Hampstead was having serious pain in his stomach and then he realized he was suffering from a ruptured hernia! He called his wife and asked her to pray for him. As she was praying she felt led to listen to Terry MacAlmon and read the healing scriptures as she prayed. To their great astonishment, they watched as the hernia slowly shrunk and the pain disappeared!! When the hernia tried to come back, they again rebuked it in the name of Jesus and it vanished for good! Praise be to the Awesome Creator who wants His children to be healed and walk in victory!! Amen!

## Stomach Spasms Healed

On Friday, April 9th sister Lakisha from Halethorpe began to experience painful stomach spasms. She took some medication, prayed and, laid down to rest but this didn't seem to help much, so she then began to reach out to my church family for prayer as the symptoms got worse over the next few days. As Sunday morning approached she wanted to be in the house of God and she pushed through the discomfort of these symptoms and was able to make it but about halfway through the service she quickly realized this was going to be harder than she had envisioned. She received prayer and laying on of hands from co-pastor Marcia. Pastor Teddy also prayed for her and over the next two days she began to get relief and all pain and associated symptoms went away. Halleluiah, Praise God!

**If the Lord has done anything worthy of reporting, please let us know so we can put it on our next miracle report! We are overcomers by the blood of the Lamb and the word of our testimony!! Praise God, be safe and remain healthy in the mighty name of JESUS!!**

## Supernatural Healing

Brother Kurt from Shrewsbury was having a lot of pain in one of his teeth, so he went to the dentist and was told he would have to have a root canal. He knew it would be an expensive surgery but he was in so much pain there was no other option! The pain was so great it was effecting him negatively in many ways. His wife called the office at BCFC for prayer and after agreeing in prayer for complete healing from infection and pain, he went back to the dentist and to the great surprise of everyone, the x-ray showed there was NO infection at all!! Brother Kurt was dealing with a minor sinus issue and would not have to have a root canal after all!! He is joyfully exalting the matchless name of our Healer, King Jesus!
