Insurance Breakthrough

Brother Cecil and Sister Jenny from Woodbine had been dealing with an issue where their health insurance company mistakenly removed Sister Jenny from their policy. Over a 2 month period, Br Cecil spent every week on the phone with the insurance company trying to resolve the issue. After probably 30+ hours on the phone with them over those months, being promised each time he spoke with someone, that things would be fixed, it was still not resolved.

Then one day, before making another call, Brother Cecil prayed that the Lord would have someone answer the phone who would be able to fix the issue. A woman answered the phone and after he

explained the lengthy history of what originally happened, then each step along the 2 months of being promised resolution, she said she will fix this and not give up until it is right. She told him that she normally does not answer the phone because it really isn't her job, but she did that day. She was at a higher level and had contacts through the insurance company and knew where to go to resolve this. It still took another week or longer but things have been corrected, Hallelujah!! Brother Cecil and Sister Jenny are praising the Lord for favor in this matter and for answering Br Cecil's prayer.

Double Blessing

Sister Gloria from Baltimore was struggling with severe back pain for a few days. She was not able to kneel down and when she bent over she was in excruciating pain, so she decided to come to the ladies prayer meeting on Saturday morning and ask for prayer. When she requested prayer, the ladies all gathered around her, anointed her with oil, lay hands on her and asked the Lord to heal her back by the power of the blood and in the name of Jesus. On the spot, sister Gloria was healed completely! She was able to kneel and bend over with NO pain! Praise the Lord! It is He alone who heals!

She also went to get some food for her neighborhood and when she got to the food bank, no one was in line, so she waited a while and as she was waiting in her car, a gentleman came up to her and told her the Lord instructed him to give her some money. When sister Gloria checked to see how much it was, there was \$200! When she went around the corner to check on the food boxes, there was no one there and no food, so she came to understand, the Lord wanted her to drive to that place for her to receive a blessing this time! Hallelujah to Our Provider King Jesus, who is a giver of GOOD GIFTS!

Supernatural Provision

Sister Miriam from New York was struggling financially since the pandemic and was not able to find work anywhere, even after she applied at numerous places. She called BCFC to pray and agree with a fellow believer for a financial breakthrough in the name of Jesus. A few days later she went to have her taxes done, in the previous years she always had to pay money to the government. When she went to pick up her taxes she stared in surprise when saw that she was getting \$2,000 back and she owed NO money! At first she was in shock, and then she realized it was the hand of the Lord, so she called back to share the good news and as she spoke, she could not stop laughing with delight and praising the name of Jesus! Praise be to God who is not stingy and loves to pour out blessings on His children!

Isaiah 41:10

Do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteousness right hand.
