

June/July 2020

Supernatural Finances

Sister Joyce from Baltimore testifies of the faithfulness of our Lord. She lost her job due to the Covid-19 pandemic. She didn't know how she would get through the next few months, but kept her faith and trust in God, and right on time the Lord provided. First, she received her stimulus check, and Sister Joyce was faithful and gave her tithe. Shortly thereafter she was able to get her unemployment until she was able to apply for a part time job! The Lord has provided for Sister Joyce every step of the way and she never had to live without food or was in want! Praise to our Awesome Father, the Ultimate Provider!

Financial Blessing

Sister Mary from Catonsville works as a realtor and also drives Uber, so her income is constantly fluctuating. One day she was hungry so she stopped to get something to eat and all she had was some change in her wallet, so as she walked up to the counter, she asked the Lord to provide her with enough money for food. When she took all she had and asked the girl at the register what she could buy with her change, a kind gentleman behind said "let me help you ma'am, use this to get yourself something to eat", and gave her \$20! Sister Mary was able to get herself a meal and had plenty of money to spare! She is praising the Lord Jesus for providing even more than she asked for! Glory to His name!

Happenings at BCFC

Wednesday Evening - 7 PM

ALL Services are MIRACLE Services

See our complete list of upcoming guest speakers and musicians at www.BCFC.org on our "Special Events" page.

Supernatural Protection

Brother David and Sister Bobbie from Marriotsville support an orphanage in Africa. During an episode of locusts in the neighborhood that were eating all the vegetation everywhere, the lady in charge at the orphanage called and asked them to pray that all of their gardens and land would be spared from these locusts and the devastation they were leaving behind. Brother David and Sister Bobbie agreed in prayer that the land would be spared and the locusts would not touch a blade of grass on the whole property! The next morning they got a phone call and a very excited voice on the line told them the great news, the locusts ate all around their property, but did not eat anything that belonged to the orphanage!! Praises and honor to our Awesome Jesus who listens and comes to the aid of His beloved children! Halleluiah!!

If the Lord has done anything worthy of reporting, please let us know so we can put it on our next miracle report! We are overcomers by the blood of the Lamb and the word of our testimony!! Praise God and be safe and remain healthy in the name of JESUS!!

Floaters Gone

During the pandemic BCFC hosted a conference prayer call every Saturday morning and everyone was invited to participate. Sister Marcia was in charge of the call and invited different men and women of God to join. On the last prayer call, June 27th there was a prayer need for black floaters in a sisters eye that had been bothering her for a long time. So we prayed for her and asked for complete healing in the name of Jesus and by the power of His blood. By the time the prayer was finished the floaters were completely gone and our sister could see perfectly clear! Glory, praise and honor to our Lord Jesus, the Ultimate Healer! Only Jesus can perform these miracles!

During these times of uncertainty in our nation, let's remember who we are!

2 Timothy 1:7

For God has not given us the spirit of fear, but of power, and of love, and of a sound mind.
