

## July-August 2023

### Multiple Healings

Sister Nancy from Eldersburg shares her testimony. September 25, 2022 Apostle Sergio Lopes had his first Zoom call with Baltimore Christian Faith Center. As he was praying for her, she felt the healing touch of the Lord as a feeling of heat on her back in which the Lord said he aligned her spine. The Lord said that one leg was shorter than the other because of her spine. She had felt in her hips with not being able to sit comfortably when she sat in the driver's seat of her car and the Lord instantly healed her! The Lord said that her thyroid was out of

order and the Lord healed it with the evidence of normal thyroid levels with her blood drawn three days later! Additionally, Apostle Lopes said the Lord was going to surprise her with a financial gift. She had recently asked the Lord if she had missed it as she praised Him for His goodness. Sister Nancy believes it arrived in May of 2023, as a \$2500 cash award from her office! This was the largest cash award she has ever received from her job in 30 years! That was a big surprise! Glory to God who is the Giver of GOOD gifts and loves to surprise us!

## Arm Healed

Sister Denise from Pikesville had severe pain in her left shoulder and arm. It was so painful she could not raise her arm at all during worship. When she went to see a doctor, to find out what can be done about it, they told her it's just something that happens with age, they might be able to make it a little better, but her arm would never be the same again. Sister Denise thought to herself, "Doctor, you don't know my God"! She stood for prayer a few times at BCFC, and she told the Lord that she doesn't have to lift her arm during worship but she really wants to! She kept declaring her healing in Jesus' name and today she can lift her arm above her head with NO pain! Sister Denise is glorifying the magnificent name of Jesus! He is the Ultimate Healer!

## Hand Healed

Sister Valerie from Baltimore was experiencing severe pain in her hand. She attended a Tuesday morning service at BCFC, and when the call for prayer came, she went forward and was anointed and prayed for. To her great delight, her hand was healed on the spot! Never again did she feel any pain from that day forward! Hallelujah! All glory and honor belongs to King Jesus! What He has done for one, He will do for you! All you have to do is believe and proclaim the Good works of the Lord!
