

High Paying Job, Skin Burning, Brand New Car, Blood Infection, Neck

September, 2016

Neck

Sister Bonnie of Havre de Grace had been experiencing swelling and itching on the back of her neck for several weeks. Since she could not see it, her husband took a picture of it and they agreed it did not look good and she should see a dermatologist to have it checked out. She made an appointment. During the Sunday service at Baltimore Christian Faith Center, Pastor directed the people to lay hands on any area of concern and be in agreement as he prayed for them, and she did. She went to her appointment and the doctor told her a long, long name of the thing on her neck and then she said, "It's nothing." Sister Bonnie also agreed with the diagnosis that "it is nothing" and all swelling and redness is gone! Praise God! It is nothing! Hallelujah!

High Paying Job

Brother Adadepo of Woodlawn had an opening on his job for a higher position, which would pay better and was coveted by many of his colleagues. He came to church, asked for prayer of agreement that he would be granted the position, and GOD DID IT! The position is his! Glory to God!

Blood Infection

Sister Lakisha of Halethorpe reports that earlier this month her mother was very ill with a blood infection and put on life support. Many of her brothers and sisters at BCFC as well as her family members had begun to pray and fast. On 9/19, Pastor and his wife went to pray for her mother and she watched the power of God go through her mother's body and for the first time since her admittance to the hospital she opened her eyes, looked at Lakisha and mouthed the words, "I love you." The next day, the doctor removed the breathing tube and she began breathing on her own. The next day the doctors discovered the source of infection was coming from the wires on her pacemaker. God is truly amazing – not only has He healed her but He also revealed the source of the problem. All glory be to the Most High God! Hallelujah, Jesus!

Brand New Car – FOR FREE!

Sister White from Towson was in a dire need of transportation. Her previous vehicle had given up the ghost. Financially speaking, she was unable to purchase a new vehicle. She turned to her God, who promised all of us that we are blessed far above and beyond what we can think or ask and she made her petition known to Him. A call was made for prayer of agreement that the Lord would supply a good vehicle, if possible, a brand new vehicle without a car note. She told the Lord, she wanted a Toyola Corolla, 2016 sky blue without a car note. The prayer of agreement was made and within two days, someone took her to a Toyola dealer and told her to pick a vehicle! She went for the stars. She chose a 2016 Toyola Corolla, sky blue, which was paid in full on the spot and the keys were handed to her! Now she glorifies the God of heaven who still answers the prayers of His people! She is driving a brand new 2016 Toyota Corolla sky blue with NO car notes! GLORY TO GOD!

**Are you in need of a miracle?
Your miracle may just be a
prayer of agreement
and a phone call away!
Let's agree for
your breakthrough!**

Skin Burning

Sister Ida of Lochearn attended BCFC and a Word of Knowledge from the Lord came that all would be healed and have what they desired if they would ask according to God's Word, they would receive it. She held out her hand for the burning sensation that she felt on her skin. The Lord healed her of the feeling of her skin burning! Also Sister Ida had not heard from her granddaughter for a while since her granddaughter had moved to Prince Georges County. It was a desire of her heart to hear from her and the very next day her granddaughter called her from a school conference. She praises God for His Word and that He is not a man that He should lie. Thank You, Jesus!
