Double Blessing

Sister Neide went to visit her mother and was informed that she was having a very bad migraine and it would not let up. Sister Neide lay her hands on her head and prayed for her mother to be healed in the name of Jesus. On the spot, the migraine left and when Sister Neide went to see her mother a week later, she said that her head was completely healed from that day on and was never again tormented with any kind of headache! Hallelujah!!!

Sister Neide has also been praying for months concerning her daughter Sophia, who is in the US Navy, to be stationed here in the USA and not overseas, which is what her commanding officer had told her, and there was no other way, she had to go overseas.

Sister Neide was fasting and praying and stood for prayer in a healing service at BCFC, and also asked a few ladies to pray and ask the Lord to make the impossible possible, so that Sophia would be able to be stationed right here close to her mother. A few weeks ago Sophia got a call from her commanding officer, it was on the very day she was to fly out, informing her she would be able to stay right here in the USA, and he asked what her choice was, to be on the East coast or West coast!! Sophia chose the East coast where she would be within driving distance to her mother and family! Sister Neide is celebrating and praising the Ultimate, Matchless name of Jesus!

Breathing Healed

Sister Angela attended a service at BCFC and the speaker was sharing about how we, as believers, have the authority to command any sickness to leave our bodies, and also whoever we are praying for, we can tell the sickness or problem to leave and in the name of Jesus, it has to leave because of the verse in Luke 10:19, “I give you authority to tread on serpents and scorpions, and over ALL the power of the enemy.”

When Sister Angela got home she received a phone call from a worried friend because her father was in the hospital with serious breathing problems. Sister Angela remembered the teaching and shared with her friend, that she had the power, as a follower of Jesus, to command the sickness to go in the name of Jesus, to declare that Jesus is Lord and for the healing to take place. Her friend did exactly as she was told, and soon she called back very excited with wonderful news, that her father was recovering and his breathing was totally healed!! Praise God!! He loves when His children stand on HIS Word, use the authority that HE gave us, and in the name of Jesus, mighty miracles will happen because we BELIEVE and we were made for this! Halleluiah!!

Joints Healed

Sister Debbie attended a special Saturday morning service at BCFC and when she walked in, she was dealing with a lot of pain in her joints and body. The speaker asked for everyone to stand that had pain in their joints. Sister Debbie stood, and after being prayed for, the speaker asked her to jump up and down to see how bad the pain was. When Sister Debbie jumped around a few times, she proclaimed, “I have NO pain!!!” She was completely healed from that very moment, and is exalting the awesome name of Jesus, who is the Ultimate Healer!! Thank you, Lord!!!

Brother Bunchie was also having pain in his body, and when he stood for prayer in the same service, he was able to stand up straight, which he was not able to do for a few months, and he could also jump up and down and the aches and pains he had for a long time left!! Halleluiah, thank You Jesus, that by the stripes YOU took for us, we are HEALED!! Amen!!

Deuteronomy 20:4
