Hair Growth

Brother Tim of Selinsgrove PA came to a Sunday morning service with his family. During the time of prayer, Pastor Paul got a word from the Lord. The Lord said, "I will restore dead hair follicles to anyone who believes." Brother Tim's hairline has been progressively receding. He states "For a few years my hairline was slowly receding and it was distressful for I'm in my early 20's!!" Pastor asked "If anyone has a scalp or hair problem, lay your right hand on your head." Then Pastor asked the church to join him in a corporate prayer and the church did so. Brother Tim joined in the prayer and declared it was done and established according to Gods word. Well, on Sunday, September 3, 2017, Brother Tim's sister drove from PA to MD to testify that her brother's hair had significantly grown in a matter of a few short weeks! The thin hairs have thickened and in the areas where the hairline was receding the Lord had restored it completely! NOTHING is impossible to GOD! He restores us from the inside out!! Hallelujah!

Ringing in the Ear

Sister Sonia from Lancaster PA has suffered 23 years from her ears constantly ringing. She went to different doctors, several specialists, and tried every possible treatment available, but nothing helped. She heard of Baltimore

Christian Faith Center and decided to visit us on August 20, 2017. She came for the Sunday night service, and during the time of prayer, a word came from the Lord that someone was going to be healed from ringing of the ear. Sister Sonia stood up immediately; Pastor Paul anointed her head, covered her ears with his hand and prayed for her. When he had finished, the ringing in her ear stopped on the spot! She was so overjoyed that she praised God over and over again! It's been 3 weeks now since God touched her and she testified that the ringing has not returned since that Sunday. What a MIGHTY GOD WE SERVE!!

Nosebleed

Baltimore Christian Faith Center went on their first Church Retreat on August 26, 2017. During the church retreat the driver of one of the coach buses had a heavy nosebleed that came from nowhere. Sister Bobbie, who is part of BCFC's group, happened to return to the bus and noticed the crisis the driver was going through. She asked him "would you like me to pray and ask God to heal you?" Surprised by her question, and with some thought, he decided to accept her offered prayer. As soon as she was done praying, the bleeding stopped immediately! It was an "on the spot" manifestation of God's Power! And through that, the Lord was glorified from the lips of an unbeliever! The driver was so taken back and amazed by his miracle that he wore a big smile on his face for the rest of the day and on the trip back to the church! Praise God who loves each and every single one of us!!! It doesn't matter who you are, God has his best in mind for you! All you have to do is say YES LORD!

Growing Tumor on the right side of the Belly

Sister Jane was suffering from a tumor that was growing from the right side of her belly. It bulged out of her skin, and according to her, it was about the size of an orange. Needless to say she was in a lot of pain. Her doctor wanted her to be admitted for surgery right away but she declined. She asked the doctor for one week to pray before making her decision. He agreed. Sister Jane came to a

Sunday morning service, and during the time of prayer, Pastor Paul got a word from the Lord, "God wants to heal someone who has been suffering from pain caused by a tumor." Sister Jane stood up because she knew that healing belongs to her and she was more than ready to expect her miracle! Pastor Paul asked Sister Marcia to put her hand on top of Sister Jane's tumor while he prayed for her. By the end of the service, she noticed that she no longer was experiencing any pain, and when she looked down, the lump on the side of the belly had disappeared and the side of her belly was completely flat! Sister Jane went back to her doctor to show him that the lump was gone, he decided to make some tests, and when the result came back, there was nothing there! No tumor! NOTHING! It was gone! Sister Jane blesses the name of the LORD! ALL things are POSSIBLE for those who believe!
