Supernatural Healing

A few years ago sister Bessie from Baltimore was diagnosed with a few serious illnesses and the doctors told her she would need to be on several medications for the rest of her life. Sister Bessie went to the Lord in faith and prayer that these curses be lifted off her body in the mighty name of Jesus! After weeks of praying and claiming her healing through the blood of Jesus, she went back for a checkup. And to the doctor's huge surprise and bewilderment, the tests came back clear! Sister Bessie was COMPLETELY HEALED from every disease the doctors had diagnosed her with mere weeks before!! She gives all praise to our King Jesus, who is still in the healing business if we stand on His Holy Word and believe!!

Stomach Cancer Healed

A sister from Pennsylvania was struggling with stomach cancer for several weeks. Her digestive system was very messed up and she could feel when she would eat that her body was not working correctly anymore. The doctors didn't give her a lot of hope for healing treatment. She attended a service at BCFC and asked for special prayer. Jesus revealed what needed to be prayed for and healed. He was faithful and completely HEALED this sister from stomach cancer! She reports, "She felt her body change as the Pastor prayed for her, and now when she eats her stomach feels different, she can feel that her body is back in co-ordinance with the Word of God!!" Thank you Jesus!

Double Blessing

Sister Mary from Randallstown was worried because her car was giving her trouble and she didn't know what was wrong with it. When she took it to the dealership they told her it would cost a lot of money to fix. She was troubled because she did not know how she would have the funds for a big bill. Also, her son was separated from his son, and sister Mary was worried it would take some time before they could reunite. She attended a Tuesday am Miracle Service and stood for prayer for both of these things.

Two weeks later she came back to BCFC to share her amazing testimony! She went back to the dealership to have her car fixed and to her great delight, it cost much less than they first told her, also, her son went to visit his son and was able to bring him home that very day!!! Sister Mary gives all honor to Jesus, who came through big time for her! Blessed be the name of the Lord!!

**If the Lord has done anything worthy of reporting, please let us know so we can put it on our next miracle report!
We are overcomers by the blood of the Lamb and the word of our testimony!!
Praise God and be safe and remain healthy in the name of JESUS!!**

Congested nose, Cleared up!

Arielle was having a slight cold, a runny nose and a bit of hard time breathing. So one Sunday morning during the Lord's Supper, sister Marlene and her sister Carolyn laid hands on Arielle's head and claimed her healing in the name of Jesus, and that very moment little Arielle's head cleared up and was able to breath normally, with NO difficulty!! Praise be to our awesome Healer, Jesus!

Supernatural Healing

A sister from Baltimore had trouble breathing for years, she needed to use an oxygen tank in order to breathe. She heard about BCFC and the miracles that took place, so she attended a service believing Jesus would touch her body. And when the call for prayer came, she stood and after the prayer she disconnected the oxygen tank, and she could breathe normally!! She gives glory and praise to our King Jesus who touched her body, restoring her breathing in an instant!! HALLELUIAH to the fantastic Lord of the universe still healing today!!!

2 Timothy 1:7

For God has not given us the spirit of fear, but of power, and of love, and of a sound mind.
