Arm Healed

Sister Gloria from Gwynn Oak was struggling with severe pain in her arm, it was so painful she was not able to raise her arm to shoulder level. She attended a Sunday morning service at BCFC and when the call for healing prayer came, she stood for prayer. After being anointed with oil and prayed for, she walked back to her seat and as she walked back, she raised her arm and to her great delight, was able to raise her arm above her head with NO PAIN at all!! Sister Gloria is giving glory and honor to our Lord and Savior Jesus Christ, where all the healing power comes from! When we trust the Lord with ALL our heart, there is nothing impossible! Praise be to God, from whom all blessings flow!

Cancer Healed

A sister from Baltimore was diagnosed with cancer. The doctors said they needed to do surgery right away to keep it from spreading. She attended a service at BCFC and when the call for prayer came, she stood and asked for prayer to be totally healed from this terrible disease. She was anointed with oil, the leadership laid hands on her and prayed for the Lord to touch her body and heal her. When she went in for her prep for the surgery, the doctors ran tests and when they came back into the room, they told her they did not know what happened, but there was not a trace of cancer to be found! Our sister is rejoicing with all of her heart, because she knows it was the Lord, and Him alone who healed her!

Double Blessing

A sister from Pittsburg attended a Tuesday morning service. She was struggling with pain in her lower back for years and also had problems with the arches in her feet. Buying shoes was a challenge because sometimes her feet would hurt worse when she wore a new pair of shoes because the shoes and her feet did not get along very well! So when the time came for healing prayer, she stood and as the Pastor prayed, the Lord revealed exactly what needed to be healed and as he was praying, this sister could feel her feet change, on the spot, the Lord healed the arches of her feet perfectly! Now she has no problems with shoes, she can even wear heels for the first time in years and her feet do not hurt at all!!! Also, her lower back was completely restored! She is pain free from head to toe and she is praising and giving thanks to the Awesome Healer, Jesus Christ!
Hallelujah to the King of King and the Lord of Lords!!

Spirit of Joy

Brother Alvin from Baltimore attended a Tuesday morning service, and during the service the Lord touched him with the spirit of joy! He testifies, “as I was sitting in the service, joy just consumed me completely, I did not want to leave because it felt so good to be in the house of God where the anointing was so strong! When I got out to my car, I could only sit in the parking lot for some time because the spirit of Joy was running over my mind and body and I could not move!”

The spirit of joy stays with him, wherever he goes and Brother Alvin gives all glory and praise to the Lord God of the universe, who is the giver of every spiritual gift! Thank you Jesus!

If the Lord has done anything worthy of reporting, please let us know so we can put it on our next miracle report! We are overcomers by the blood of the Lamb and the word of our testimony!! Praise God and be safe and remain healthy in the name of JESUS!!

2 Timothy 1:7

For God has not given us the spirit of fear, but of power, and of love, and of a sound mind.
