### Eyes Healed

Sister Helen's mother lives in Florida and had eye surgery that went very wrong. For several weeks she was not able to see out of one eye and the other one was blurry which made it a challenge to do very much. The doctors said there was nothing they could do to fix the situation. During a Sunday evening service at BCFC sister Helen stood for prayer in honor of her mother's situation. After being anointed with oil, Pastor prayed for her eyes to be completely healed from ALL infirmity in the name of Jesus and as she wakes up in the morning her eyesight would be perfect, nothing missing nothing broken! Wednesday evening sister Helen could hardly wait to share the testimony! She called

her mother Monday morning to see how she was doing, and her mother informed her that she had been outside looking at the sun in awe because her eyesight was COMPLETELY restored, and she could see all the colors and beauty of the outdoors! Overnight the Lord touched her eyesight and now she has perfect vision! The doctors were shocked and didn't know how to respond, because what was impossible to man was completely possible to Jesus! Hallelujah and praise be to our Lord and Savior, who is still in the business of healing and restoring eyesight to perfection! What a Mighty God we serve!

## High Blood Pressure, Healed

Brother Donald from Baltimore woke up one day and felt very sick, so he went to the emergency room to have checked out what was wrong. The doctor told him, his blood pressure was very high, and they had no medication to give to him so he had to go home and just wait until they could get the medicine. Brother Donald attended a Tuesday morning service at BCFC and when the call for prayer came, he stood and asked for prayer concerning the high blood pressure, he said he believes with all his heart that the Lord could heal him! After being anointed Pastor prayed for him and Brother Donald could feel an immediate change! He went home, took his blood pressure and it was normal!! And it has stayed normal, Glory to God, he does not need to take the medication at all, all he needed was a touch from heaven and his body came into alignment with the Word of God! Thank you, Almighty, Magnificent King Jesus!

hallelujah

## Heart Healed

Sister Kristine from Baltimore was having serious heart problems, irregular heartbeat and pain in her chest from time to time. She attended a service at BCFC and when the call for prayer came, she stood to claim her healing in Jesus name. After the prayer she sat down, and she felt a relief right away. A few weeks later, Sister Kristine said she was healed! Her heartbeat was regular, and the pain was gone! Thank you, Jesus! He is the King of kings and the Lord of Lords! Our Ultimate Healer!

### Philippians 4: 6-7

**Do not be anxious about anything, but in every situation, by prayer and thanksgiving, present your requests to God. And the peace of God, which passes all understanding, will guard your hearts and your minds in Christ Jesus.**
