

Expectations for the Upcoming New Year

Monthly Newsletter – December, 2018

As an end of time believer, and as this World is becoming more ungodly and hectic, we need to be filled with Faith and not fear! Therefore, I believe from the bottom of my heart, we as believers need to be fed and full of His Word, to stand on His promises, to follow the leading of the Holy Spirit, and to exercise our faith, more than ever before in our daily walk! I guarantee you one thing for sure: "fear will blur our thinking at all times, if our faith is not present and at work in us!

Now as partakers of God in the kingdom, we must use and release our faith confidently, expecting to be part of the great harvest of souls coming up at any moment for the Kingdom of God! May the Lord give us the desire, the hunger, to become an instrument God will use in the coming days of the New Year! We read in 2 Timothy 1:7,8: "For God has not given us a spirit of fear, but of power and of love and of a sound mind. Therefore, do not be ashamed of the testimony of our Lord..."

As this year comes to an end and the New Year is just about to start, may we willingly confess that we are filled with faith and not fear, and show our God our excitement to be living in these last days! I firmly believe that the Lord has chosen you and I to live in some of the most challenging days this world has ever seen, but He is capacitating you and I to face these times victoriously! He has given us “sound minds,” “power,” and He also filled us with love! Therefore, beloved, we should not retreat in fear and panic, because we are on the winning side!

I believe that 2019 will be the year of “New Births”! Birthing of new congregations, the birthing of “New Families”, and birthing of “New business”. Our God has captivated you and me to take care of His affairs in this new coming year. Let’s join God and be part of the mightiest harvest of souls and new things that this world has ever seen, by faith in Jesus’ name! Happy New Year!

In Him,
Pastor Paul Santos
