

# Break Free from Your Past, There's "Work in Progress!"

## Pastor's Desk - February 20, 2022

"I believe that our Heavenly dad is challenging you and I to forget about past mistakes, old memories, and bad experiences! It will hinder you and I from seeing what He is doing right now. There is more to life than disgraceful memories from the past. Don't let your mind linger on what's done and gone! He is doing something new right now; it is already here, and all we need is to recognize that He is busy in the background!"

Some of the greatest hindrances in spiritual and emotional development are the memories from the past! For some unreasonable reasons, there is the tendency to remain stuck in the past, when we have a new entire life ahead of us. A life that can be sweeter and brighter than what we've had so far, and yet may become a long dark night because we won't let go of the past memories and experiences. If you by any chance find yourself stuck in this situation today, listen to the Word of your "Daddy": Isa 43:18-19 "Forget what happened in the past, and do not dwell on events from long ago. I am going to do something new. It is already happening. Don't you recognize it? I will clear a way in the desert. I will make rivers on dry land."

I believe that our Heavenly dad is challenging you and I to forget about past mistakes, old memories, and bad experiences! It will hinder you and I from seeing what He is doing right now. There is more to life than disgraceful memories from the past. Don't let your mind linger on what's done and gone! He is doing something new right now; it is already here, and all we need is to recognize that He is busy in the background!

Unless you are a “Museum” that lives of the past, let it go! Forget the past mistakes, it’s water under the bridge that can’t be brought back. There is power in God to transform our past and turn it into something good, enjoyable! Try it, watch, and look for it; you’ll be amazed of what God can do when we let go of the past!

God wants to surprise you with a “new” future. That’s why Paul said:  
Ph. 3:13-14 “Brothers...one thing I do: forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus.”

Make a choice to get out of this dry spell and enjoy the good life that your “Daddy” has for you. If He is able to bring waters in the desert, He certainly can change your destiny today!

In His service,  
Pr. Paul Santos
