"No matter how we look at it, God knows what is best for us.  
Many things in life are hidden and hard to understand.  
Our Heavenly Daddy promises to respond us  
and let us in on His secrets, giving us the answers we need.  
He has so many things for us that we do not know yet,  
and He has given us a lifetime to discover it together with Him.  
Best of all, He wants to reveal it to us!!"

Have you ever been at that point in your life that you're not quite sure which way to go, or possibly figure out what decision to make? Has life become hard to distinguish what to do next and there is no way to go? Well, don't panic, there is hope! When life becomes tough to the point that we don't know what to do, help is just a call away. We have someone who knows our future and everything about us and is just waiting for our call. Jer. 33:3 says: "Ask me, and I will tell you things that you don't know and can't find out." (GW) If we can't understand or figure what is going on, we are told to ask Him, and we will certainly give an answer.

One might ask: Why do I have to ask God everything? Why doesn't He reveal it right away without me having to ask? Well, the answer is: He wants to be part of your plans and of your life! He has the best in mind for you and me and wants to lead us into His secrets.

I like the way the NLT words it: “Ask me and I will tell you remarkable secrets you do not know about things to come.” The MSG Bible says it even better: “I will tell you marvelous and wondrous things you could never figure out on your own.”

No matter how we look at it, God knows what is best for us. Many things in life are hidden and hard to understand. Our Heavenly Daddy promises to respond us and let us in on His secrets, giving us the answers we need. He has so many things for us that we do not know yet, and He has given us a lifetime to discover it together with Him. Best of all, He wants to reveal it to us!!

The best response is to realize we don't know everything, but our God certainly does. He's only a call away and He promised He would answer. Let's take full advantage of His secrets and enjoy the best He has in life for us!
