

# Our Testimony

## Pastor's Desk – July 24, 2022

"It is effortless for our attitude  
to be oriented toward pleasing other people.  
God does not prohibit this to us,  
but pleasing Him must dominate our mindset.  
We must choose to please Him  
as the immediate desire of our lives  
or confidence has a slight chance of growing."

**Hebrews 11:2** *"For by it the elders obtained a good testimony."*

The verse here sets the stage for the rest of the chapter by indicating its significance: Others we hold in high esteem have lived by faith before us, and as a result, God approved their way of living.

The apostle suggests that if they could do it, then why can we not do it the same, since the same elements that existed for them are still working today? Namely, The Lord is still on His throne, and His truth stands strong. He is number one. This is an essential point regarding faith because this faith must be lived toward God. We should desire to trust and please no one else in the whole world above God.

Remember, our God as a personal Being, and His message presented through the Lord Jesus are the entities of our trust. It is effortless for our attitude to be oriented toward pleasing other people. God does not prohibit this to us but pleasing Him must dominate our mindset. We must choose to please Him as the immediate desire of our lives or confidence has a slight chance of growing.

2Timothy 1:7 "For God has not given us a spirit of fear, but of power and of love and of a sound mind."
