

Prosperity and Success in All we Do!

Pastor's Desk – August 16, 2020

Study this Book of Instruction continually. Meditate on it day and night so you will be sure to obey everything written in it. Only then will you prosper and succeed in all you do. Jos 1:8 (NLT)

Prosperity and success in all we do is a way of life that comes from being rooted and established in the Word of God! It's a result of spending a great length of time and thought-life on the Word of God, that it becomes second nature to us.

It will come from hearing and obeying the precious Word so consistently, that it will begin to guide our actions even when we are not consciously thinking about it!

When the Captain of a ship is being trained to navigate his vessel through the rough high seas, He or she will read books about a specific vessel, and train themselves to possible scenarios that might occur at high seas. It's almost like visualizing or anticipating what will happen and being unconsciously prepared for all the occasions.

This is exactly what we must do with the Word of God, think about God's Word day in and day out, and before we know it, we will be instinctively trained and prepared to succeed and prosper in all we do!

If we have a family member out there, instead of dwelling on their miserable condition, we sit down and pray the Word of God, meditating on what God said about our families! We will no longer be discouraged about that situation but will see our God prospering the very things we are praying for and start to visualize the victory and success coming our way!

Let's make a practice of meditating on the Word day and night, instead of meditating on the problems. Let the very Word become second nature to us and be part of us. When we can visualize ourselves obeying these precepts in every possible circumstance, it will guarantee success and victory in all we do!
