

WALKING IN THE LIGHT

Pastor's Desk – December 3, 2023

This occurrence proved
to be an unforgettable moment,
leaving a lasting impact on his perspective,
which he could never forget,
ultimately witnessing God say:
"Let there be light" in his life.

He looked up
and saw the glory of God
reflected in the face of The Lord,
who gazed down at him with indescribable love.
Life emerged from death;
light replaced darkness,
and peace followed.

Ephesians 5:8 *“For you were once darkness, but now you are light in the Lord. Walk as children of light”*

The Apostle Paul says in, **2Corinthians 4:6**, *“For it is the God who commanded light to shine out of darkness, who has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ.”* He remembers that day to Damascus when he saw Jesus after a blinding light shone on him. This occurrence proved to be an unforgettable moment, leaving a lasting impact on his perspective, which he could never forget, ultimately witnessing God say: "Let there be light" in his life. He looked up and saw the glory of God reflected in the face of The Lord, who gazed down at him with indescribable love. Life emerged from death; light replaced darkness, and peace followed.

The lesson is obvious. In the same way that a manufacturer creates machinery that can meet the specific conditions necessary for an electric current to do its work, we too must learn to adapt ourselves to receive and transmit the power and light of God. This power and light come to us through our union with Jesus, learning to properly receive and transmit it to fully experience its benefits.

At His service,
Pr. Teddy Santos
